

# Moisture measuring instrument

Item number: 30.5506.01

Variante: black

## Function

- For measuring the moisture of wood and construction materials
- With indication of temperature
- Easy to use
- Robust housing
- Scale for construction material and wood
- Automatic switch-off
- Illumination LED.
- With protection cap and clip for fixing.

## Technical data

Measuring range	Wood moisture: 6...44%, Material moisture: 0,2...2%
Delivery contents	Moisture measuring instrument, instruction manual
Measuring range temperature	0 ... +40°C (+32 ... 104°F)
Power consumption	Batteries
Batteries included	no
Batteries	4 x AAA 1.5 V
Dimensions	(L) 44 x (B) 34 x (H) 144 mm
Weight	103 g
